CLASS OF THE MONTH

We are off to a great start in kindergarten! The kindergarteners have been very busy getting to know each other and learning our routines. Mrs. Wilson is at home with her new baby boy, Caden! Mrs. Willms has been doing an amazing job! We have been practicing very important kindergarten skills such as handwriting, using school supplies appropriately, writing our names, learning our numbers and counting, and practicing our letters and their sounds. The students are excited to work on these important kindergarten skills at an even deeper level during Learning Centers. Kindergarten is now getting ready for their first Panther Prowl! This is going to be a great school year and they are so excited to be a part of the Paris family!

Counselor Connection

In guidance, we have been focusing on our self-concept and how we can improve the way we feel about ourselves by doing positive actions.

Hello! My name is Parry the Panther. I am the school mascot. Every month I find a good hiding spot in Paris School where I can watch all the kids. If you find me, you can fill out a form, located on the shelf by the Computer Lab, and have a chance to win three Paris PAWS!

CHS HOCO PARADE!
