

2024-2025

# Paris School Newsletter

November 2024

**Guess who! Do you know this Paris School staff member?**

1. I have two daughters.
2. I have swum with sharks.
3. I have been in *Musky Hunter Magazine* for a musky that I caught.
4. I love jigsaw puzzles.
5. I love coconut shrimp!

ANSWER: Mrs. Gerou, Music Teacher

## CLASS OF THE MONTH

### 1<sup>st</sup> & 2<sup>nd</sup> Grade

First and second graders have been showing so much Panther Pride! It has been a fun year so far. We had a blast on our field trip to Green Meadows Farm in early October. We learned about Fire Safety when volunteers from the Paris Fire Department came to our school. The Panther Prowl was another huge success! Thank you to all who worked so hard to make the Prowl a great day - rain or shine! We love to spend time with our school family! We made some wonderful memories at the Panther Prowl. We are getting stronger in reading, math, and writing each and every day. We love to be at school and celebrate learning in every way!

## Counselor Connection

During the month of November, students will be discussing how important learning is and how it helps our minds stay strong. Seventh and eighth grade will have completed one lesson through Xello, which is our career readiness program that we use, and they will be talking about healthy friendships. Have a great Thanksgiving everyone!

## WHERE'S PARRY?

Congratulations to Emery T. in 3<sup>rd</sup> grade! She found Parry in the Music Room on a drum. Be sure to look for Parry's new hiding spot for a chance to win three PAWs.

# 2024 Paris School Christmas Programs

- ❖ Tuesday, December 17<sup>th</sup>, at 6:30 p.m.  
All Kindergarten, 1<sup>st</sup> and 2<sup>nd</sup> Grade
  
- ❖ Wednesday, December 18<sup>th</sup>, at 6:30 p.m.  
All Grades 3 & 4 Students  
and Choir

**All programs will be held  
in the Paris School gymnasium.**

All concerts take place in the Paris School gymnasium and begin at 6:30 PM.  
This is a "dress up" event. Students should arrive between 6:00 and 6:20 PM  
and report to their classrooms.

## A MESSAGE FROM YOUR SCHOOL NURSE

### When Should My Child Stay Home?

The following guidelines may help you in making that decision.

- A fever is a warning that all is not right in the body. No child with a temperature greater than 100 degrees F should be at school. The child should NOT return to school until he/she is fever free without pain reliever for 24 hours.
- A child with a cold with a lot of congestion and hacking cough belongs at home, even if no fever exists.
- Keep a child who has vomited at home for at least 24 hours.
- If a child has more than one loose or liquid bowel movement in a day, he/she should be kept at home.
- Bacterial pink eye causes redness of the white part of the eye with yellow or green drainage. This is highly contagious and requires antibiotics. If your child is too young to avoid touching the eyes which spreads the germs, please keep him/her at home for 24 hours after starting the antibiotics.
- A rash might be the first sign of illness. DO NOT send a child with a rash to school until the doctor says it is safe to do so. Please provide a doctor's release note to return to school.
- Please inform the school staff if your child's illness is contagious.
